

The Rules Rondo

DMS

A

Rhythm Sticks (on floor) $\frac{2}{4}$

Rules, rules, got - ta have rules. Rules for me, and rules for you.

R. Stx

Maracas

cresc.

Rules, rules, got - ta have rules. Rules, rules, rules! Par -

B

Maracas

ti - ci - pa - tion is the name of the game. Par

C

Congas/
Tubanos

Fol - - - low di - rec - tions.

D

Metals

I get to play when it's my turn!

Notes

1) You might want to keep this as a straight rondo, which would be totally groovy. But the contrasting sections are complementary (of course!), so you could play them simultaneously if you like.

2) If you don't like (or don't have) the listed instruments, just choose what you'd like instead. Y'all KNOW I won't be mad! (*Ditto for the texts of the individual rules.*)
