Traditional Jump Rope Chant

Game: DMS

Spoken 

2 is com pa ny. 3's a crowd. 4 on the side walk is not al - lowed!

Indicate numbers with fingers.

This time, snap each time a number is spoken.

When we say, "not allowed," stamp the rhythm of those words.

You can keep this, or you can make it trickier. Create 3 different statues each time the numbers are spoken. "Not allowed" may be stamped, patted, clapped, or snapped.

Find a partner. Together, decide how your statues will look. (Will you be exactly the same? Will you be mirror images? Will you show contrast?)

Now that you have a partner, perform "not allowed" in an interesting way together.
