

At the Zoo

D A7 DMS

Here we are! We're at the zoo. There's a seal.

D

Here we are! We're at the zoo. I'm a seal.

Barred Instruments:

If you'd like to use them, add a steady beat on D and A (the bordun). Remember that removing all other bars makes success much more likely for little people.

Movement:

Improvise on your recorder (or any instrument you're comfortable with) after the song, to allow for seal movement.

Other Verses:

Let students name other animals they would see at the zoo.

About crowd control:

If you don't think the whole group can move through the space reliably and responsibly, just divide the class into 2 or 3 groups.
