

Goin' to Kentucky

Traditional

I was go-in' to Kentuc-ky. I was go-in' to the fair when I met a se-no ri-ta with
long and cur-ly hair. Shake it, ba-by, shake it. Shake it if you can.
Shake it like a milk shake, and do the best you can. Rum-ble to the bot-tom,
rum-ble to the top. Turn a-round and turn a-round un-til you make a stop.

"I was goin' to Kentucky":

Circle moves forward, keeping steady beat in feet. 1 person is in the middle of the circle.

"Shake it": Person in middle shows some way to keep the steady beat. everyone imitates the motion.

"Rumble":

"Rumble" down, then up. Person in middle chooses next "it" by covering eyes and turning in a circle while pointing.
