Interlude 1

(Climb ing up and whooo!)

Interlude 2

*V. Slp., etc.

(Snow ball fight! Look out!)

Interlude 3

H. Dr.

* Choose rattling, clanging sounds to go with the vibraslap. Wood blocks, guiros, flexatone, etc. would work, too. Be brave.

Co coa, hot co-coa is ve-ry de-li-cious!

Form: Your old pal, the rondo

Song, interlude, song, interlude, song, interlude, song

If you're feeling brave, try 2 or 3 interludes together. Ooooooooooh...

Suggestions: Prepare each interlude with the text
Let the non-playing groups create movement for the interlude that *is* being played. (This keeps everyone busy.)
