

# Old King Cole

Traditional English  
B section: DMS

Old King Cole was a mer-ry old soul, and a mer ry old soul was he. He

called for his pipe, and he called for his bowl, and he called for his fid - dlers three.

Spoken

1, 2, 3, 4, 5, 6. I'm gon - na pick up my fid - dlin' sticks.

Spoken

6, 5, 4, 3, 2, 1. I'm gon - na fid - dle 'til my turn's done!

At this point, it's your turn! If you'll improvise (or play the melody) on your preferred instrument, the sweet little rhythm stick-wielding children can "fiddle" to their collective hearts' content.

Feel free to let the children choose other activities their sticks can perform.  
(I'm gonna pick up my \_\_\_\_\_ sticks. I'm gonna \_\_\_\_\_  
'til my turn's done!)

If you want to play with meter (and why wouldn't you?), sing the song and play the game in 3.
