

# Sommeil

Auvergne

arr. DMS

$\text{♩} = 48$  F C F C F C F

A

Som - meil, vite, vite, vite. Som - meil, vite reviens donc. Nos pe - tits ne veul pas dor - mir. Le som

C F C F C F

meil ne veul pas v'nir. Som - meil, vi-te, vi-te, vi-te. Som - meil, en-dors nos pou pons.

B

Come sleep, hurry, hurry, hurry. Now sleep, hurry and come back. For our children will not sleep. Slumber

Come sleep, hurry, hurry, hurry. Now sleep, hurry and come back. For our children will not sleep. Slumber

far a-way does keep. Come sleep, hur ry, hur ry, hur-ry. Now sleep, our lit-tle lambs.

far a-way does keep. Come sleep, hur ry, hur ry, hur-ry. Now sleep, our \_\_\_\_ lit-tle lambs.

**Form: ABA**

## Suggestions:

If you'd like to teach this melody (sans descant) to younger students, have them listen for sol-mi when you sing the song. (The pattern falls on each "sommeil.")

There is no law that says you have to sing the whole song in French, either. You might sing each "sommeil," but the rest of the words in English.
